First Draft:

	Table T1	Table T2
[0]	Online algorithms	
[1]		Engineering Algorithm Engineering Algorithm
[2]	Self-Stabilization	in science

[3]	are known	
[4]	String matching	
[5]	School of Computer Science	Server Problem
[6]		
[7]		One of the greatest mysteries
[8]	matrix searching	Fullerton
[9]	Server Problem Cuckoo Hashing is fun!	
[10]	Algorithm College of Engineering and Computer Science Algorithm College of Engineering and Computer Science	
[11]	Some related problem	emphasis on
[12]	Greedy pattern is the quantum nature of universe	College of Engineering and Computer Science Monge properties
[13]	Monge properties One of the greatest mysteries in physics	
[14]	Optimal tree construction in science Optimal tree construction	Optimal tree construction Greedy pattern
[15]	Engineering Fullerton Engineering emphasis on	

	Engineering	
[16]	California State University	

Final answer:

	Table T1	Table T2
[0]	Online algorithms	
[1]		Algorithm
[2]	Self-Stabilization	in science
[3]	are known	
[4]	String matching	
[5]	School of Computer Science	Server Problem
[6]		
[7]		One of the greatest mysteries
[8]	matrix searching	Fullerton
[9]	Cuckoo Hashing is fun!	
[10]	College of Engineering and Computer Science	
[11]	Some related problem	emphasis on
[12]	is the quantum nature of universe	Monge properties
[13]	in physics	
[14]	Optimal tree construction	Greedy pattern
[15]	Engineering	
[16]	California State University
